THIS WEEK (22)

President Ken called on Marty Larson to introduce his guest, Roger Russell, Manager, Mendelssohn Commercial Ltd.

Bert Boren reported a very successful wind-up to the bridge season with some 29 in attendance at the final party. A bridge convenor, preferably a volunteer, is required for the 1983-84 season. Please indicate your willingness to serve to Dick Hunt or Bert Boren.

And now with the golf season in full swing, a word of warning should you be caught out on the course during a lightning and thunderstorm. This comes from Lee Trevino who was once struck by lightning while playing. (He luckily survived.)

The advice: Take a No. 1 iron and hold it high in the air. Even God can't hit a No. 1 iron.

We trust YOU can hit all the iron shots plus the woods this season.

Cheerio
