NOTICE OF MOTION

~~Dick Ogilvie has made the following Notice of Motion: At the meeting on October 2, 1984, I shall move or cause to be moved that the quarterly dues be increased by \$10.00, effective the quarter commencing October 1, 1984; and that the Application (Initiation) Fee be increased from \$25.00 to \$50.00, effective October 1, 1984.~~

THIS WEEK (26)

Stan Smith, one of our few remaining 50-year members, was welcomed by President Allan.

Coincident with the suggested increase in fees was a discussion on other ways of raising money. Tom Douglas suggested supplying workers for Bingo at the Meadowlark Shopping Centre.

Moved by Tom Douglas; seconded by Roger Russell, that we investigate if dates are available at the Meadowlark Bingo, and if so, to accept one or two on a
(over)

trial basis. Carried.

Moved by Harry Mills; seconded by Mort Morter, that the Hockey Pool profits be deposited in the Convention Fund Account. Carried.

Ernie Siegel was the winner of the draw.

This one is for you, Bob Walker.

With the recent opening of school the teachers and their pupils will by now have settled into a routine. The question is frequently used as a method of instruction. So the primary teacher asked the class to compose a sentence involving a public servant. After a short time one front row pupil, wildly waving her hand, was asked, "What did you write, Mary?"

And the answer: "The fire fighter descended the ladder pregnant."

"Do you really know what 'pregnant' means?" asked the teacher, taken somewhat aback.

"Why yes," replied the precocious ~~Mary~~ "It means 'with child'."

Well so much for the ~~Ob~~stetrics of fire fighters.
