THIS WEEK

President Allan welcomed members-elect Bill and Don Agnew. Gordon Rennie introduced his guest, Dick French. It was announced that at the meeting of March 5, 1985 Bill Warrack, uncle of our President, well known member of the Calgary Gyro Club, and a Past Governor of District Will, will preside at the Induction of Bill and Don Agnew, Larry Dobson, and Merrill Morstad. Let's have a full attendance at this meeting.

The writer having recently returned from a Caribbean Cruise noticed that

(over).

among the passengers there were travellers from almost every age group: pre-teen-agers, teen-agers, the Bikini set, young married couples, middle-agers, and geriatrics. The diet, particularly of the latter class, included pills and nostrums of every description from aspirins to hydro-diazide, to gravol, to nitro-glycerin. But the oddest combination of all was that of the honeymoon couples and the young marrieds. They were often observed belting back a shot of lysurgic acid (LSD) along with the PILL for the distaff member of the pair. That, as we later discovered, was so that they could go on a trip without the kids.

So much for high living on the high seas.

#### VALENTINE PARTY

The Edmonton Gyrettes entertained their Gyro counterparts at a delightful dinner party at the Royal Glenora Club on Tuesday evening, February 12, 1985, with some 60 odd members and guests in attendance. Among the guests were Brent and Sheila Buchanan, Larry and Carol Dobson, Sandy and Jo Rennie, and Lauren and Jerri-Lynn Robertson. Our sincere thanks to Jean Warrack and her committee for an entertaining evening.

That's all!

Cheerio
