Sixty four (64) Gyro's, Gyrette's and guests gathered at MALMO Community League Hall 11525-48 Ave on the occasion of the 2007 District V111 Convention Committee **Corn Roast**.

It was particularly pleasing to have attending the gathering **Gyrettes Norma Treacy, Lorraine Assheton-Smith and Enid Green** Spouses of former active club members.

Our guests were Jim & Bonnie Burnett, Jim being a Cousin of David Burnett, from Kingston, Ont and about to become residents of Vernon BC.

During the late afternoon and early evening, **BOCHI Ball** enthusiasts demonstrated their skills playing the game under the direction of "overseer" **Victor Jagoldas**, he having set up the **grounds** and organized the **teams**.

The games were played with hearty applause and advice coming from numerous supporters arm chair coaches etc, sitting on the side lines. A fun time was had by all and prizes were distributed to reps from the various winning teams later on during the evening's festivities, thank you **Victor** from all for the time and effort which you placed to organizing the **BOCHI**.

Upon entering the hall members were *greeted* by Gyrettes **Marlene Burnett** and **Alice Glassford** who were skillfully attempting to persuade members to pre-register for the 2007 Convention, those who did so were the recipient of a "free" flashlight!

David and Marlene Burnett advise that 24 members have pre registered and can now happily "**light their way**".

Sales orders for Golf and Denim Shirts appeared to be brisk which should result in our club members together with their Gyrette, being readily identifiable during the Convention.

Upon conclusion of the **Bochi tournament** everyone retired into the hall to enjoy a "**feast**" suitably prepared by the Convention Committee.

President Fred Schulte welcomed everyone to the gathering remarking upon indeed what a beautiful day it was.

Cheerio was heartily sang under the *leadership* of Bill Taylor and **Grace** was offered by David Burnett.

On the *menu* Taber Corn (*no doubt*), garnished with gourmet chicken as prepared by **Chef Roger**, salads and much more. Fine wines beer soft drinks and spirits were readily dispensed, to those who desired, by skilled bartenders, namely, Barry Walker (*head bartender*) David Burnett, Gerry Glassford and in fact anyone who wished to lend a hand.

This is a relatively new function and organization. Officer Kunce will discuss the background and need for this activity, the actions that are underway by his group and the concerns for the future as a result of our continuously advancing technology.
