THIS WEEK (25)

The following guests were introduced: Bill Foti by Roger Russell and Bill Ohe by Marty Larson. Larry Dobson gave a brief report on the Christmas Party. President Mort won the draw.

May we conclude 1985 with a few odes and ends.

How to get in the last word. Sir Walter Scott once wrote:

O what a tangled web we weave,
When first we practise to deceive!

To which Phyllis McGinley replied:

Which leads me to suppose the fact is
We really ought to get more practice.

J.R. Pope added:

But when we've practiced quite a while
How vastly we improve our style!

And Willard Espy concluded:

Forget, dear friends, that practice angle!
You'll only tangle up the tangle.

And a Happy New Year to all!
