- 8-Marty-Larson-won-the-draw-

SPECIAL FEATURE

On the reverse side of this edition of the Gyrolog we have copied a resolution which was published in a Gyrolog in 1957. We hope all of you, including Bill Graham, will enjoy this piece.

Cheerio,

Gydon

Cyril Shaw presented a resolution to the club in connection with one of the members of the Edmonton Club. A copy is enclosed with this edition of the Gyrolog for the benefit of those who may want further proof.

COPY OF THE RESOLUTION READ BY SECRETARY JENION

Gyro Club of Edmonton versus William J. Graham

WHEREAS, in the year of our Lord, one thousand nine hundred and fifty four, William J. Graham contrived to have himself admitted into the membership of the Gyro Club of Edmonton, and

WHEREAS, the said William J. Graham did intimate that if he was retained to say the Grace Before Meals, that the meals would miraculously improve in quality, if not in quantity, and

WHEREAS, no such thing happened, and

WHEREAS, since the said William J. Graham was admitted into membership, the congenial atmosphere of the Club has become polluted by the foul smoke of the cigars used by the said Graham, and

WHEREAS, during his tenure of office as Editor of the Gyrolog, the sensibilities of the members of the said Gyro Club were sorely assailed by the quips of the said Graham, and.

WHEREAS, during his tenure of office as Chairman of the Sick and Visiting Committee, the members of the Club have not been able to enjoy their sickness in peace, but have been subjected to the exhortations of the said Graham to get well quickly even though the Blue Cross was paying for the holidays in the hospital, and

WHEREAS, the members of the Spokes Club have become inarticulate, tonguetied and speechle, and have developed self-consciousness concerning their use of grammar and formulation of ideas, and in fact, suffer from acute auxiety, neurosis as a result of the ministrations of the said Graham as chief critic, and

WHEREAS, the members of the Club, since 1954, have been exposed to the doctrines of an alien sect known as Presbyterianism and have been inveigled into attending a church known as the Westmount Presbyterian Church, where strange doctrines only fit for an alien and barbarous country such as Scotland are preached, and

WHEREAS, on such occasions, the said Graham has had no compunction about having a collection plate passed under the noses of the members of the Club, in spite of the fact that the constitution of the Club prohibits the solicitation of business within the club, and

WHEREAS, the said Graham has on occasion defamed and libeled the character of certain members of the Club, particularly that of one Harold Jones #1, during the said Jones? perennial campaigns to have himself elected to office, and

WHEREAS, the said Graham has himself been suspected of frequenting the 9oth street area, on the pretense of doing missionary work.

THEREFORE, be it resolved, that the said William J. Graham be expelled from the membership of the Gyro Club of Edmonton, and that a strong resolution be forwarded to the Board of the Presbyterian Church in Canada, asking for the removal of the said William J. Graham from our midst, and his removal to a more heathen part of this country, and

THAT a communication be sent by this Club to the Gyro Club nearest the place where God in his providence may order Graham's lot, in order that that Club be acquainted with a description of the said Graham's character, with the request that they admit him to membership in order that corroborating evidence may be obtained for our charges, and

THAT, this Club send a message of condolence to Cathie for having picked such an individual to be tied to,
