SICK & VISITING

Bill Robinson reporting on the health of the Club members stated that it was unchanged from that of his report of two weeks ago.

THIS WEEK

May we extend our sincere sympathy to Howie and Pat Sharp and family on the recent passing of Howie's sister in Vancouver.

The April 1 Meeting will be in charge of Marty Larson and his Committee who are busy cooking up an interesting program.

Gordon and Ivy Rennie left at the beginning of February for Australia where they will visit for several weeks with son, Sandy and family.

Our congratulations to Bob Rennie who won a modest sum in a recent Kinsmen Club Sweepstake. He was so excited he had to inform his parents by telephone. We hope he didn't blow his substance in a lengthy conversation to the other side of the world.

President Ernie and his good wife Beth, leave the first part of March for an extended golf ? tour of Australia. Already Ernie has arranged to retain Gordon as a caddy for a tournament in Melbourne. If our President can only follow with precision the sound advice of his caddy, this will be an unbeatable combination. We wish them a bon voyage! Our further wish is that of the two kangaroos, one of whom said to the other, "Gee, I hope it doesn't rain today. I just hate it when the children play inside." So much for the rich people.
